

# Crisis Skylight Merseyside

## Welcome to Crisis Skylight

From autumn 2011, Crisis Skylight Merseyside will offer courses, taster sessions and individual support in locations across the region to help you learn, develop skills and improve your confidence.

Our tutors and coaches will come to you. Crisis Skylight will operate within hostels, days centre and other locations in local communities across Liverpool, St. Helens and Birkenhead.

### Get Creative, Get Qualifications, Get Skills

Crisis Skylight can help you to **get creative, get qualifications and get skills. The kinds of topics we will cover include:**

- a wide range of Art and Crafts courses
- practical things from Painting and Decorating, DIY, First Aid
- courses leading to qualifications in IT, English and ESOL, as well as more creative subjects
- skills that will help you move into work

### Get Individual Support

We also have specialist staff who can work with you on a one-to-one basis to help work out what your goals are, help the set

you in the right direction to achieve them through different Crisis Skylight activities

### Getting a job

Our dedicated Work and Learning Coach can help you to prepare for, find and keep new employment.

# About Crisis Skylight Merseyside

Crisis Skylight Merseyside is one of the regional services operated by Crisis, the national charity for single homeless people. We also offer services in London, Newcastle, Birmingham, Edinburgh and Oxford.

Crisis is the national charity for single homeless people. We are dedicated to ending homelessness by delivering life-changing services and campaigning for change.

## In Merseyside Crisis hopes to:

- Support homeless and vulnerably housed adults to develop the skills and capabilities they need to find and keep a home, succeed in learning and build a career
- Work with homeless and vulnerably housed adults to build their self-confidence, develop resilience and feel accepted in the community in which they live
- Act as a strong and articulate advocate for homeless people across Merseyside, working with local authorities and homeless agencies to propose, develop and implement innovative solutions
