

# WE NEED YOU!

Year round volunteering opportunities in the homelessness sector

*Crisis was founded by volunteers and the commitment of thousands of individuals who give their time and energy to our work is crucial. Across the homelessness sector, volunteers play a vital role. If you have been inspired by your volunteering experience at Crisis there are many opportunities to volunteer in your community and help locally. You normally don't need any specific experience and homelessness organisations are looking for the full range of skills, from the obvious to the obscure. This leaflet gives an overview of homelessness organisations in the London area who regularly involve volunteers. You can also visit your local volunteer centre or search on [www.do-it.org.uk](http://www.do-it.org.uk) for opportunities across the UK.*
