

KS2 Student Activity Sheet:

Conflict in the Home

Fighting for hope for homeless people

1. TV/computer

Why can't I watch what I want. She always watches what she wants?

I need the computer to do my homework now and he's just playing games on it. Tell him to get off.

She won't let me have the remote and I want to watch my programme.

2. Household chores

It's not fair, I did the washing up last night. It's his turn tonight.

Mum says you've got to help me tidy our room, so stop watching the TV and help.

Why is it me that always has to go to the shops? Why can't they go? I hate them.

3. Possessions

That's my game, so you can't play it. Keep your hands off it.

Mum, tell her, she can't keep taking my clothes without asking.

How come he's allowed to have a mobile phone and I'm not?

4. Personal space

Can you please be quiet I'm trying to concentrate on my homework.

You always have your friends round and shut me out of the room. I want my friends round.

I don't want to share a room anymore, all my friends have their own rooms.

5. Rules

But everyone else is staying out till 10 o'clock. Why can't I?

Absolutely everyone is going to be at Mikie's party. I'll be the only one not there!

Karla's mum lets her go to town on her own.

6. Sibling rivalry

You promised me that if I let him watch his DVD yesterday I could watch mine today. He won't let me.

You always let Bharti go to the pictures with her friends, why can't I?

I'm going to tell mum.

Why do I have to go to swimming club on Saturday just because he does? I don't like swimming.
