Out of Hospital Care Team (OOHC)

The care model is a partnership between NWL ICB, London North West University Healthcare NHS Trust, Imperial College Healthcare NHS Trust and CLCH, which aims to:

- Prevent those who have been in hospital being discharged back to the street
- Avoid hospital attendance and admissions (where health, care and support needs can be better met in the community)
- Support an improvement in an individual's health and wellbeing

Care will be provided to patients in community settings, which may include clinics, street, daycentres, hostels, hotels, temporary accommodation

Funded until 2026 by NWL ICB.
